

Remarks:

Reconsideration of the application is requested. Claims 2-4 and 6-37 remain in the application. Claims 20 and 21 have been amended.

In item 3 of the above-identified Office action, the Examiner objected to claims 20-21 for depending on claim 1, which had been canceled. As recognized by the Examiner in paragraph 4 of the Office action, claims 20-21 should have been amended to depend on claim 26. Claims 20-21 have been amended to correct this problem.

If an extension of time for this paper is required, petition for extension is herewith made.
